Head's Update...

Dear Parents and Carers,

Well, well, well... cold and coughs season has been with us this week. Two days this week we unfortunately had 10 children absent... the school was eerily quiet!

It is great we are all back and firing on all cylinders today.

I am so pleased to confirm we have the first slot for "Singing in the Square" and will be opening the Christmas Lights switch on festivities at 4pm.

We look forward to seeing you and your children teaming up with St Mary and St Peter's to get Christmas started!

Best wishes,

Connel Boyle

Our Early Years Treasure Hunt!

Our Reception children's learning project this term is titled "Marvellous Machines!"

Our children have been using their new Ipads to learn new communication skills.

They scanned QR codes to follow a treasure trail and find the treasure!

What brilliant explorers!

Science - Biology Investigation

Our children have been investigating all
things about blood. What blood is, how it
moves around the body and how vital blood
is to keep us healthy and ultimately alive.
Our children made their own blood to help
them with their investigations.

Our children really enjoyed offering their
blood samples to our teachers to taste, as all
the ingredients were edible!
