Head's Update...

Dear Parents,

I again want to thank you all for your vigilance over Covid and testing your families to keep us all safe.

We hope you like your new look newsletter for our school. We intend to publish fortnightly giving you as many pictures and updates on our children's achievements as possible.

On the next page we will be recording our certificate achievements and calendar updates.

We are introducing a new Teams Points system next week. Your children will be placed into one of three teams, named after three inspirational people. Our children will be researching these amazing figures. **Marcus Rashford**, **David Attenborough** and **Malala Yousafzai**. These teams will include all family groups together and will have a team colour. From next Friday, I will be making myself available for weekly "Headteacher drop-ins", no appointment necessary. All the details are on the next page.

I look forward to seeing as many of you as possible at the "Singing in the Square" event in Ilminster at 3.45pm today. Please feel free to join in!

Best wishes,

Connel Boyle

Executive Headteacher

Marking Remembrance

On Thursday 11th November at 11am, all of the children from the school and staff, joined Rev Geoff Wade at our village War Memorial to mark remembrance. Two wreaths were laid by the children.

During November, all of our children have been learning about Remembrance, particularly considering past events and hope for the future.

Our school opened up on Sunday 14th November for the community to visit, after the Remembrance Service at the Church. Our Friends of Shepton School provided a wide variety of cakes and treats along with teas and coffees. Donations from the community, who visited the school, have been given to the Poppy Appeal.

Well done!!!

Seymour Class enjoyed their well-earned Golden Time on Friday: dancing with Mr Boyle, creating our House Team Pictures, playing board games and enjoying some peaceful colouring.

Coles Class have had a busy few weeks! We have learnt a little about Malawi and looked at day in the life of a girl called Memory. We made some African masks and did some of the chores that Memory would have done, washing clothes and sweeping up. Reception had fun making phonemes in the shaving foam and as part of our Celebrations work have talked about Weddings and Birthdays.
