Head's Update...

It's beginning to feel a lot like Christmas...

Dear Parents and Carers,

New Behaviour and Relationships Policy

Our school staff have spent the last 6 months researching the most up to date research on the effects of the pandemic on our children's social development. As a result, we have developed a new behaviour policy for our school. As you will see from the title, we now include the word Relationships in the policy.

At the heart of the policy is the core development of building meaningful relationships in the school. We also have more "instant" rewards that are also more visual. The policy will come into effect in January. I have copied the link below and if any of you have any comments, please do come and see me at my drop-in session.

Singing in the Square...

Ilminster Christmas lights switch on

What a start to Christmas!!!
Our Christmas singers from Shepton Beauchamp and St Mary and St Peter's did themselves proud singing their Christmas set before our Ilminster Christmas lights switch on. Our thanks to you all for giving our children a big audience and a huge cheer at the end.
