Head's Update...

Dear Parents and Carers,

I just wanted to say thank you for your patience and understanding last week with the red weather warning and school closure. These decisions are not taken lightly and understand the impact this can have.

I am sorry I have not managed to be as visible in school. I am currently working across and supporting at Norton-Sub-Hamdon and West Chinnock alongside our schools. Please do contact the office if you need to speak to me and I will get back to you straight away.

We are very proud of our Gryphon class swimmers who have represented the school brilliantly and making lots of progress! I am also extremely proud of our amazing year 6s who showed real bravery and resilience during their Year 7 transition day!

Reports will be sent home on Wednesday 8th July. If you would like to discuss anything within your child's report, we have a drop-in session on Monday 13th July 3:15-4pm.

We hope you can join us next Thursday for our Sports Day at Shepton Recreation Ground starting at 1.30pm.

Best wishes,

Kirsy Luffman
Head of School

THIS WEEK'S GALLERY

**Our school
attendance
target is
96%**

**We are at
96.06%**

**Phoenix
Class current
attendance**

**96.09%
-0.04%**

**Gryphon
Class current
attendance**

**96.05%
-0.27%**

Congratulations

Martha	Dylan	Elli
Harry	Stanley B	Amelia
Ruby	Immy	Josh
Freddie	Millie	Jasmine
Martha	Sebastian	Daisy

**Head of school drop-in
sessions every Thursday at
9am.**

As I work between both schools, I am mindful that I am not always around for drop-in sessions. Please do contact the office if you would like to meet with me if I am not on site and I will get a meeting booked in as soon as possible.

Friday Family Assemblies

Come and join us every Friday
at 2.45pm.

Phoenix Class

Phoenix Class have had a very exciting week. Our caterpillars arrived last week and the children have loved watching them wriggle, grow and finally form their chrysalis. Now we wait patiently to see them transform into butterflies — a wonderful, hands-on way to explore life cycles in our Animal Survival topic in Science.

We have also enjoyed a new story called The Comet, a gentle tale about finding comfort and belonging after moving somewhere new. Children have written thoughtful advice letters to the main character and created their own "recipe for a perfect home", including cuddles with cats and kind words.

In our coastline topic, we have been exploring and comparing seaside holidays in the past and present. The children especially enjoyed acting out and creating freeze frames of activities from holidays 100 years ago — from Punch and Judy shows to strolling along the promenade with a parasol.

Gryphon Class

This week in Computing, Gryphon Class have been learning about vector drawings. We used online drawing tools to create our own pictures using shapes and lines. We learnt how to fill shapes with colour, layer objects to create different effects, and use the copy and paste tools to improve our designs. We enjoyed developing our digital art skills and creating our own unique vector drawings.

Gryphon class have also been looking at Islamic art. We made tiles using stars, an often-used Islamic symbol. The tiles were then carefully painted using a range of bright, vibrant colours, producing beautiful and eye-catching pieces.
