## Head's Update...

Dear Parents,

Public Health are still monitoring the local Somerset situation and we await advice regarding whether we can resume Family Assemblies next Friday.

I again want to thank you all for your vigilance over Covid and testing your families to keep us all safe.

We hope you like your new look newsletter for our school. We intend to publish fortnightly giving you as many pictures and updates on our children's achievements as possible.

On the next page we will be recording our certificate achievements and calendar updates.

We are will be introducing a new Teams Points system next week. Your children will be placed into one of three teams, named after three inspirational people. Our children will be researching these amazing figures. *Marcus Rashford*, *David Attenborough* and *Malala Yousafzai*. These teams will include all family groups together and will have a team colour. From next Friday, I will be making myself available for weekly "Headteacher drop-ins", no appointment necessary. All the details are on the next page.

I also wanted to thank all of you who came to the Remembrance Memorial dedication with us yesterday. This meant so much to our children.

Best wishes,

*Connel Boyle*

Executive Headteacher

## Remembrance Dedication

All of the children from our school attended the dedication of the new Remembrance Memorial for our village.

During November, all of our children have investigated Remembrance, including the importance of reflection of the past and hope for the future.

The children laid a special wreath to mark the village having it's own memorial for the first time.

Mrs Jo Best, our Infant Teacher said "We want to thank Ilton Parish Council for organising this event and providing the memorial for our village. Having a memorial in the village has really helped our children understand and reflect on the importance Remembrance plays in our country's national identity."
