OUR STRATEGIC GOALS

Goal 1:
Develop senior and middle leaders' confidence and expertise to continue to drive school improvement priorities across the school and federation.

Goal 2:
Ensure consistency of quality first teaching and targeted academic support, developing an oracy approach, to accelerate pupil progress.

Goal 3:
Design a broad, rich rolling curriculum model that is connected and sequenced (focusing on RE, History and Geography in depth in year 1)

Goal 4:
Embed a consistent approach to systematic synthetic phonics and reading enabling children to get off to the best start and prepare them for the next stage in their education.

OUR VISION

“Together we flourish”

Comes from our shared ideas about what our church schools should be like. After lots of thought and discussion we decided on our vision for our school community. Around our vision are the values that support it.

Every child will experience the highest quality teaching and learning. This teaching and learning will be delivered in the best possible environment. Teaching staff are committed to the best and most innovative practice and research. All children from all backgrounds are given the chance to change their lives positively through learning.
